Declaration of Product Modifications

This is to request a Class II permissive change for FCC ID: HLZLC13G. The purpose of this Permissive Change is as below:

- 1. The module is integrated in the host model: LC1, TravelMate 6492 series. The distance between the antenna and body is smaller than 20cm. Therefore, the testing for SAR is evaluated.**

The host also includes a WLAN transmitter (FCC ID: PD94965AG) and a BT transmitter (FCC ID: QDS-BRCM1018). Both they can not be co-transmitted with GPRS transmitter.
