**Re: Change of Identification Authorization**

**FCC ID: RAS-MT7921**

To Whom It May Concern:

This letter grants authorization for representatives of **Acer** to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules. This authorization applies to **MediaTek Inc.**, 2TX 11ax (WiFi6) + BLE Combo Card, FCC ID RAS-MT7921, granted on 09/25/2020. The module's new FCC ID will be HLZMT7921. The equipment is electrically identical the only change being the labels on the device. The original test results continue to be representative of and applicable to the changed equipment.

Best Regards

Stella Chang/ Manager
