Re: Change of Identification Authorization

FCC ID: RAS-MT7922A22M

To Whom It May Concern:

This letter grants authorization for representatives of **Acer** to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules. This authorization applies to **MediaTek Inc.**, 2TX 11ax (WiFi6) + BLE Combo Card, FCC ID RAS-MT7922A22M, granted on 09/25/2020. The module's new FCC ID will be [HLZMT7922A22M](#). The equipment is electrically identical the only change being the labels on the device. The original test results continue to be representative of and applicable to the changed equipment.
