Limited Module Approval Request Letter

Subject: Limited Module Approval
Date: Jan. 22, 2016
FCC ID: HLZWPC1

Dear Reviewer,

We, Acer Incorporated would request WPC TX approved under limited module approval authorization. The application of this module is specified to portable host equipment. The requirements regulated in 15.212 have been fulfilled and clearly explained below.

1. **The requirement of RF shielding:** This transmitter is designed to be incorporated into specific host (Host Brand: acer/ Model: WPC-W-A-TX-A11-006). Acer Incorporated retains full control over the final installation of the device into its products, and therefore can assure the compliance of the end product to the tested results.
2. **The requirement of buffered inputs:** Buffered data inputs stage has been integrated in chip (P9038).
3. **The requirement of power supply regulation:** Module does not have its own power supply regulation. Integration is limited to specific hosts (Host Brand: acer/ Model: WPC-W-A-TX-A11-006) with power regulator to provide RF Module with stable power.
4. **The requirements of section 15.203 and 15.204(C):** The requirements of antenna connector and spurious emission have been fulfilled. Please reference the exhibition Test Report.
5. **The requirement of stand-alone test configuration:** The RF Module was tested in the specific host (Host Brand: acer/ Model: WPC-W-A-TX-A11-006). Please reference exhibition Test Configuration Photo for the test configuration.
6. **The requirement of labeling:** The instruction on the labeling rule of the end product has been stated in the user's manual of this module. Please also see the exhibition Label Sample.
7. **The requirement of compliance on specific rule or operating requirements:** The required FCC rule has been fulfilled and all the instructions for maintaining compliance has been clearly stated in the Users Manual.
8. **The requirement of RF exposure:** For portable use, peak conducted power of this product is lower than 13.8dBm and complied with exemption SAR criterion [Refer to Appendix A TCB Exclusions List (Revised: 17 July 2002)]. Furthermore mobile use, please refer exhibition MPE RF Exposure for the compliance of RF exposure rule.

Please do not hesitate to contact me for any questions of this request letter. Thank you.
