This block shows a section of a red printed circuit board (PCB) populated with several integrated circuits. Two large square chips are the primary focus, both featuring the **ISSI** logo and the part number **1562LV1024LL-55N** with the serial number **H809601520031**. To the right of these chips is a smaller, rectangular component labeled **V8.3**. The PCB surface is populated with various other components, including resistors and capacitors, and is marked with numerous alphanumeric labels such as **U1**, **U2**, **U3**, **U4**, **U5**, **U6**, **U7**, **U8**, **U9**, **U10**, **U11**, **U12**, **U13**, **U14**, **U15**, **U16**, **U17**, **U18**, **U19**, **U20**, **U21**, **U22**, **U23**, **U24**, **U25**, **U26**, **U27**, **U28**,
