To Whom It May Concern:

Intermec Technologies, Corp. hereby declares that our Model WA21 Wireless Access Point is a heavy industrial product intended for use by our industrial customers in environments such as warehouses, manufacturing floors, industrial freezers etc. As a product intended for industrial environments, it only needs to comply with the FCC's Part 15 Class A unintentional emission requirements. Our user documentation states this fact and warns the users. If you have any questions, regarding this or any other Intermec products, please feel free to contact me (phone: 425 356 1765, fax: 425 348 2633, email: [carl.turk@intermec.com](mailto:carl.turk@intermec.com)).

Sincerely,

Carl K. Turk, MSEE
