

**Warning:**

FCC regulations limit exposure to radio frequency (RF) radiation. To comply with these regulations, operators of this device must maintain a distance of at least 20 cm (8 inches) from the cover on the antenna assembly (The cover on the antenna is the dome shaped surface). **While the device is on, the operator's body and parts of the body such as eyes, hands, or head, must be 20 cm (8 inches) or farther from the cover of the antenna assembly.**

FCC regulations also require that the antenna assembly of this device be installed in accordance with the installation procedures in this manual to allow the operator to comply with this limit.
