

Exhibit III

FCC rules 2.925 and 2.926 require we show the FCC ID label of this part 97 device and the location where the label appears on the device.

This is the FCC ID label. The number following “ALS13-“ is a sequential serial number:

FCC ID Label
1" H x 2.75" W

The FCC ID label will appear on the rear panel below the power connector:
