Re: CONFIDENTIALITY request for FCC ID: HOLCL9HS

CIDCO Incorporated hereby requests that the Schematics be held as confidential items per FCC Rule Section 0.459. This request is based on the fact that there is proprietary operational and configuration information contained in the specified item(s). Release of these item(s) to the general public, and thus our competition, would be detrimental to our competitive edge.

Sincerely,

Ron Anglikowski
Director of Engineering
