NCSP35DC

Model No.:NCSP35DC
FCC ID: HQXNCSP35DC
Operation voltage 12VDC
Max current draw at 12VDC 1.5A
www.assaelectronics.com
Made In Taiwan
Patent # US 9,679,735
This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) this device may not cause harmful interference and
(2) this device must accept any interference received, including interference that may cause undesired operation of the device.
