Columbia, MD 21046

Gentlemen:

Cirronet respectfully requests confidentiality of certain materials provided with the submission of the WIT2410P under FCC ID: HSW-2410P in accordance with FCC Regulations 0.459. The confidentiality request applies to the schematics, bill of materials and block diagrams contained in this filing and included in the following files.

08-0020 – Schematics.pdf  
08-0020 – Parts List.pdf  
08-0020 – System Block Diagram.pdf

The WIT2410P has been developed at considerable effort and expense by Cirronet. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Mark Tucker
