Equipment Authorization Branch

Columbia, MD 21046

Gentlemen,

RFM/Cirronet respectfully requests confidentiality of certain materials provided with the submission of the WIT2492 under FCC ID HSW-2492 in accordance with FCC Regulations 0.457(d) and 0.459. The confidentiality request applies to the following:

15-0067 – Schematics.pdf

The WIT2492 has been developed at considerable effort and expense by RFM/Cirronet. These items are considered as Trade Secrets and therefore public access to proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.  
Sincerely,

Mark Tucker
