Applications Examiner

RE: FCC Part 15 Class 2 Permissive Change for Cirronet, FCC ID: HSW-934

Dear Applications Examiner:

Enclosed please find Cirronet's file copy of the Part 15 Class 2 Permissive Change Application for Cirronet Model WIT 934. Cirronet is requesting the following changes:

- 1.) This Application is requested because the customer is adding two (2) antennas to this previously certified radio module. The antennas to be added are as follows:

Type:	Gain:
Yagi	9dBi
Patch	-5dBi

For details please see the test report.

If you have any questions, please don't hesitate to call.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Alan Ghasiani', is written over a light gray rectangular background.
