Gentlemen:

RFM/Cirronet respectfully requests confidentiality of certain materials provided with the submission of the DNT90 under FCC ID: HSW-DNT90 in accordance with FCC Regulations 0.459. The confidentiality request applies to the following exhibits:

10-0314.W06.11.A – Schematics.pdf  
10-0314.W06.11.A – System Block Diagram.pdf  
10-0314.W06.11.A – Theory of Operation.pdf

The DNT90 has been developed at considerable effort and expense by RFM/Cirronet. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'. The signature is written in a cursive style and is positioned to the left of a vertical line that separates it from the typed name below.
