Date: November 7, 2008

Gentlemen:

Cirronet now RFM respectfully requests confidentiality of certain materials provided with the submission of the DNT900 under FCC ID:HSW-DNT900 in accordance with FCC Regulations 0.459. The confidentiality request applies to the schematics, theory of operations and block diagrams contained in the following exhibits:

08-0361 – Schematics.pdf
08-0361 – Theory of Operations.pdf
08-0361 – System Block Diagram.pdf

The DNT900 has been developed at considerable effort and expense by RFM Inc. These items are considered as Trade Secrets and therefore public access to the proprietary material could possible result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to be 'Mark Tucker', written in a cursive style.
