February 11, 2011

Federal Communications Commission
Equipment Authorization Branch
7435 Oakland Mills Road
Columbia, MD 21046

Gentlemen,

RFM/Cirronet respectfully requests confidentiality of certain materials provided with the submission of the XDM2510HC and XDM2510HP under FCC ID HSW-XDM2510 in accordance with FCC Regulations 0.459. The confidentiality request applies to the following:

- 11-0034 – Schematics.pdf
- 11-0034 – System Block Diagram.pdf
- 11-0034 – Theory of Operation.pdf

The XDM2510HC and XDM2510HP have been developed at considerable effort and expense by RFM/Cirronet. These items are considered as Trade Secrets and therefore public access to proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to be 'Mark Tucker', written in a cursive style.
