Subject: Compliance Statement for the Receiver 13BBL

To whom it may concern,

We do not issue any instruction manual for the receiver 13BBL. The compliance statement according to FCC paragraph 15.19 (a)(3) will be printed on the unit itself. We will inform the car manufacturer that this compliance statement also has to be written in the car users manual. The car users manual is used as a replacement for the receiver users manual.

A handwritten signature in black ink that reads "Kazuo Sakakibara". The signature is written in a cursive, flowing style.

Kazuo Sakakibara
Manager
Engineering Administration Department
