

Manual Requirement of FCC / IC

Our product (14FBF) is one of vehicle parts. Therefore, we will not supply the user's manual. However, we will ask the vehicle manufacturer to include following statements in the vehicle user's manual in accordance with FCC and IC requirements.

1. Requirement for User Manual

1.1. FCC Requirement

1.1.1. In accordance with 15.21 of FCC rule, following statement will be included in the user's manual.

FCC WARNING

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

1.1.2. In accordance with requirement of FCC§15.19(a)(3), following statement will be included in the user's manual.

NOTE

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

1.2. IC Requirement

1.2.1. In accordance with requirement of RSS-GEN, following statement will be included in the user's manual.

NOTE

This device complies with Industry Canada's licence-exempt RSSs. Operation is subject to the following two conditions:

- (1) This device may not cause interference; and
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

1.3. For both FCC and IC

The FCC ID/IC Certification number is affixed inside the equipment. You can find the ID/number when replacing the battery.

Note: The way to replace the battery must be included in the user's manual.
