Subject : Request for Class II Permissive Change
FCC ID : HYQDNMWR004
Original gant date : 12/20/2007
Applicant : Denso Corporation

To Whom It May Concern:

This is to request a Class II permissive change for FCC ID: HYQDNMWR004, originally granted on 12/20/2007.

We changed the following points from the original model.

- Only the software is changed to change the modulation interval.
There is no hardware changes.

Please refer to attached "Theory of operation" for details of these modifications.

This time, we performed the testing and confirmed that this product still meets the minimum requirements of the applicable rules of FCC. Please refer to the test report submitted with this application.

Thank you for your attention to this matter.

Sincerely yours,

Kazuo Sakakibara
General Manager
Engineering Administration Division
