## DECLARATION OF SIMILARITY

Date: 2021-3-26

FEDERAL COMMUNICATIONS COMMISSION  
Authorization and Evaluation Division  
7435 Oakland Mills Road  
Columbia, MD 21046  
United States of America

Dear Sir or Madam,

We, Proxim Wireless Corporation, hereby declare that the product: NGP LC 2.4 &5 GHz radios,  
FCC ID: HZB-NGPAP,  
model: AB-CCCCD-XXX-YYY-ZZ

AB can be AP, XP

CCCC can be 4 digits number defining marketing version

D can be 1 alphabet or blank adding extra version information

XXX can be 3 alphanumeric or blank defining product operational mode

- BS3 means Base Station Unit with antenna and connectors

- CPE means Customer Premises Equipment with antenna and connectors

YYY can be 3 digits defining product throughput limitation or blank if no limit is set

ZZ can be 2 alphabets defining Country of Operation

- US means United States of America

Is electrically identical with the model which was tested by BACL, with the same electromagnetic emissions and electromagnetic compatibility characteristics.

Please contact me should there be need for any additional clarification or information.

Sincerely,

Ken Lim  
Accounting Manager
