Attention: Reviewing Engineer

The user's manual supplied in this application is written to include several models of the Tsunami product. The unit which is being submitted here is the 5.8 GHz, 12 Mbps capacity radio (Model 31450). As certifications are obtained, the appropriate regulatory information in the manual is edited. When this manual is released for customers, an appropriate statement will be made in the regulatory information cover sheet indicating which models comply with which FCC and IC rule parts and their appropriate certification numbers provided in of the manual.

If you have any questions regarding this submission, please feel free to contact the undersigned.
