RE: Response to FCC Requests
Correspondence Reference Numbers: 12095
FCC IDs: HZB-S58-12
Form 731 Confirmation Numbers: EA95627
Attn: Greg Czumak

Dear Mr. Czumak:

Please find in the attached a copy of the section 3-10 of the updated *Installation and Maintenance Manual*. We actually updated it right after the RF exposure concern was raised by FCC in the process of the UNII approval, but since the HZB-S58-12 application was submitted at an earlier time, this change did not get a chance to be reflected to FCC.

I hope with this submission, the HZB-S58-12 approval will be awarded soon.

Thanks and best regards!
