### RE: FCC PClI Certification Request for UHF RFID Radio Module (I28-URFIDM5E)

We are submitting an application for a class II permissive change to the limited modular approval of the UHF RFID Radio Module (FCC ID: I28-URFIDM5E, Original Grant Date: May 22, 2008).

There is no hardware or electrical modification made to the applying Limited modular transmitter itself. The change filed under this application includes the following changes:

- (1) The purpose of this application is to add 110Xi4 printer as host for this radio and
- (2) adds collocation of ZLANGVH devices for mobile M5E hosts (110Xi4).

We hereby certify that no party to this application is subject to a denial of benefits, including FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C.853(a).

Please contact me if you have any questions or need further information regarding this application.  
Sincerely,

Sincerely,
