

4/12/2008

To: Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD

FCC ID: I28-ZLANGCA

To Whom It May Concern:

This submission is for Limited Modular Transmitter Approval. This letter is to ascertain that the Zebra printer GX420d, GX420t and GX430t have been the units used for conducting FCC compliance testing, the DoC part will be tested by FCC recognized test lab.

If you have any question or concerns, please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Charles A. Derrow", written over a light blue horizontal line.
