Class II Permissive Change Cover Letter

RE: FCC ID: I28MD-ZLAN11G

We are submitting an application for a Class II permissive change to the limited modular approval of the Zebra 802.11g embedded radio (FCC ID: I28MD-ZLAN11G). The transmitter module, itself, has not changed. The purpose of this application is to add the MZ Series printers as hosts for this radio. Only new and changed exhibits are included with this application.

Best Regards,

A handwritten signature in blue ink, appearing to read "Charles A. Derrow".
