A black, rectangular power adapter with a two-prong AC plug on the top right. A coiled black cable is connected to the bottom left of the adapter. The cable has a D-sub connector at the other end, which is partially visible. The entire unit is set against a blue background.

A black power adapter with a coiled cable and a two-prong plug, resting on a blue surface. The adapter has various safety and regulatory markings, including 'CAUTION', 'LPS', and 'MADE IN CHINA'. The cable is black and coiled, and the plug is a standard two-prong AC plug. The adapter is rectangular with a textured surface. The markings on the adapter include 'CAUTION', 'LPS', and 'MADE IN CHINA'. There are also several regulatory symbols and a table of specifications. The table lists input and output voltages and currents. The overall appearance is that of a standard electronic power supply unit.
