Subject: Leadtek Research Inc. , FCC ID: I2ILR9703, Assessment NO.: AN07T6915, Notice#1

Question #1: The user manual indicates the device is equipped a mini USB port, if it can be used for data transmission, then the digital portion has to be authorized through either DoC or Certification. If it is through DoC, then please add FCC DoC logo on the label format, otherwise, please submit a separate filing under equipment class of "JBP".

[Ans: please see the revised FCC ID label .](#)

Best regards,
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
