American TCB

In response to your comments regarding the applications for FCC ID I20MCPS2135 please find our responses below:

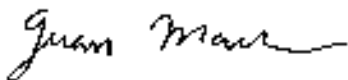

1) The plot on page 44 of 60 (compare with page 47) does not appear to match the other plots and power on this plot appear very low. Please explain or correct as necessary.

A new plot has been uploaded.

The following documents have been uploaded to the ATCB website to support the responses above for FCC ID: I20MCPS2135

- Low Channel_872.5MHz_WCDMA_MCPS2500
