

## Operating Instructions

For pen charging and operating instructions, please see the Quick Start Guide and User's/Reference Guide for your InFocus LiteBoard projector. You can download these at [www.infocus.com/support](http://www.infocus.com/support)

**Caution:** The lithium battery is only rechargeable, and is not user serviceable or user replaceable.

**Caution:** Always use the included USB cable and power adapter (or your computer) to charge the pen.

## Declaration of Conformity

We declare under our sole responsibility that the LiteBoard pen when used in conjunction with a compatible projector conforms to the following directives and norms: EMC Directive 2004/108/EC, R&TTE Directive: 1999/5/EC, EuP Directive: 2005/32/EC, Low Voltage Directive: 2006/95/EC, ETSI: EN 300 440, EN 301 489, EMC: EN 55022, EN 55024, EN 61000-3-2, EN 61000-3-3, Safety: IEC 60950-1:2005, MOD.

## FCC Warning

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications to this equipment that are not expressly approved by InFocus Corp. may void the user's authority to operate the equipment.

## Warranty

90 day limited warranty from the date of purchase.

## Package Contents

LiteBoard pen, USB power adapter, USB cable.

## Lithium Battery Information

Manufacturer: KAYO Battery (ShenZhen) Co., Ltd.

Model: ICR14430

Rating: 3.6VDC/650mAh

## Canada

This Class B digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

NOTE: This product is covered electrical and electronic equipment under the European Union's Waste from Electrical and Electronic Equipment ("WEEE") Directive (2002/96/EC). The WEEE Directive requires that covered equipment be collected and managed separately from typical household waste in all EU member states. Please follow the guidance of your local environmental authority or ask the shop where you purchased the product for collection or recycling options.
