Dear Application Examiner:

InFocus Corporation is submitting this application for the certification of their Model PBP (LiteBoard Pen), FCC ID: I46-PBP. It is an optical pen that communicates with a compatible digital projector that contains the Pointblank Radio Module (being certified separately under FCC ID: I46-PBM). Both devices operate in the 2.4 GHz band and are seeking authorization under FCC 15.249.

The radio utilizes a PCB mounted dielectric chip antenna that is not user accessible. This configuration satisfies the requirements of 47 CFR 15.203.

Your efforts in reviewing this application are greatly appreciated.

Best regards,

A handwritten signature in black ink, consisting of several overlapping loops and a long horizontal stroke extending to the right.
