

Electricity Metering, ABB Inc.
208 S. Rogers Lane
Raleigh, NC 27610

February 21, 2003

Dear Application Reviewer,

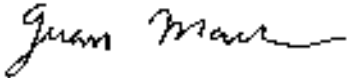

This letter is to request a Class II Permissive change to the ALPHA Meter. This product has been approved originally under the FCC ID: I7JA001SC42.

The following changes have been made:

- 1) New antennas have been added. The new antenna specification documents have been included in the upload of this application.

The ALPHA Meter was re-tested at Elliott Labs and found to be still in compliance to the MPE Exposure requirements

Regards,
