Re: Supersede request for FCC ID: **I88NBG6716**; Granted on **08/09/2013**

To Whom It May Concern:

We regret to inform you that due to **type wrong AV total power value for 802.11ac (80MHz)**, we have submitted the wrong Test Report (DTS) exhibit to the filing.

To prevent misunderstanding to the public, we would like to request the FCC to supersede the exhibit described as **Test Report (DTS)_rev.**

If you have any questions, feel free to contact us. Thank you.

Regards,

Andrea Hsia
Specialist
