Re : FCC ID: IAJHW245 Confirmation Number: EA92783

Dear Katie/ Linda,

Thank you for your continuous support for technical review and administrative review.

The technical review and administrative review for the captioned FCC ID have been completed on 2/23/99 and 1/28/99 respectively by checking the Internet Status. In general practice, the application shall be granted after both of the reviews have been completed. Hence, would you please help me to check when does the application grant ?

Should you need any further information, please feel free to contact us by Fax: (852)-2785-5487 or E-mail:cmchow@itslabtest.com

Best Regards,
