Current Status of FRN 0007622319

STATUS: Green

You have no delinquent bills which would restrict you from doing business with the FCC.

The Red Light Display System checks all FRNs associated with the same Taxpayer Identification Number (TIN). A green light means that there are no outstanding delinquent non-tax debts owed to the Commission by any FRN associated with the requestor's TIN.

The Red Light Display System was last updated on 11/23/2009 at 8:55 AM; it is updated twice each business day at about 9 a.m. and 7 p.m., ET.

We have recently received notice that our application for FCC ID IB20ATN01 is ready to Grant, but has been Deferred due to fee problems. These fees are not associated with this division of L-3 Communications. Could you please inform me of which division still has these outstanding receivables, so that we may work to resolve this issue?

Thank you,

Suzi Schulz
