

10/30/02

Dear FCC,

Techsonic Industries would like to request confidentiality on the following items contained in our submission. Techsonic Industries would like to request the confidentiality because we are the first company to enter this market segment with a truly innovative product technology and we feel the confidentiality is vital be preventing additional companies from using our information to develop competitive products.

Request Confidentiality on:

The Product Schematic

The Product Parts List

The Statement of Circuit Functions

Mark Gibson

Techsonic Industries Product Manager
