Subject: Arima Computer Corp, FCC ID: ID4TB1203945, Assessment NO.: AN07T6647, Notice#1

Question #1: The operational description indicates the bluetooth module has DH1, DH3, DH5 modes, but the test report does not show that all modes have been investigated. Please update the test report to provide additional test data.

[Ans: Please see the revised report.](#)

Best Regards,
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
