Application Examiner

Re: Request for confidentiality

Applicant: LoJack Corporation

FCC ID: IDIVIM

To whom it may concern,

***Permanent Confidentiality***

Request is hereby submitted by LoJack Corporation to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- **Schematics**
- **Detailed Block diagrams**
- **Detailed Operational/Functional Description**
- **Tune up procedure**
- **Parts list**

Rationale for request for confidentiality:

LoJack Corporation is the leading manufacturer of stolen vehicle recovery equipment. LoJack has been maintaining high recovery rates by the nature of its covert installations. The equipment is installed covertly in consumer automobiles at the time of purchase. LoJack's successful recovery record is based on its covert installations. This device is installed by LoJack personnel in one of several precisely selected locations. The installation location known only to LoJack personnel.

Restricting the knowledge of the receiver reduces the risk of intentional tampering and/or use of the product in applications not sanctioned by LoJack Corporation. Publication of the information would compromise the security of LoJack's Stolen Vehicle Recovery System which would severely impact law enforcements ability to track stolen vehicles.

LoJack Corporation has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

The fee for confidentiality has been submitted along with the fee for certification. If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert M. White".
