MULTIPLEX ®

RX-5/7 M-Link
Contact PCB Assembly

MPX-No.: 4094260, 4094270

Date: 2012-06-06

Scale 1:1

1. Solder the headers on both
sides of the Contact-PCB. Header must
touch the PCB edge.
2. Push the Main-PCB between the
other pin row and solder it.
3. Solder a pin or wire between the two PCBs

soldering a pin
or a piece of wire
contact PCB --> main PCB
