

# Meet Your

## XT2175-1

## Put in the cards & power on

**1** Insert the SIM tool into the tray hole to pop out the tray.

Make sure you use the correct size SIM card and don't cut the SIM card.

**2** Insert the SIM card(s) with the gold contacts up, then gently push the tray into the slot.

**3** Press and hold the Power button, then follow the prompts to get started.

## ready for

Your phone works with **Ready For**, a new platform that extends your phone's experience to any compatible PC, TV or monitor:

- Mobile gaming on the big screen,
- Video calls larger than life and with better quality,
- A larger, uncluttered workspace.

To learn more, scan the QR code.

## Connect and use Ready For

You'll need:

- TV/monitor with HDMI port or USB-C® video-in port or Miracast® compatibility.
- Video-enabled cable with USB-C to plug into the phone and either HDMI or USB-C to plug into the PC/TV/monitor.

On your phone, swipe the status bar down, and tap **Ready For**. Then, follow the steps.

Select **Mobile desktop**, **TV**, **Game** or **Video chat** on your phone.

**Tip:** You can also connect a dock and Bluetooth® compatible accessories, such as, keyboard, mouse or gaming controller (sold separately), but these are not required.

## Help & more

Get answers, updates, and info:

- **Help is here:** From the home screen, swipe up and tap **Settings** > **Help** to learn how to use your phone and get support.
- **Get more:** Get software, user guides, and more at [www.motorola.com/mymotoq](http://www.motorola.com/mymotoq).
- **Get apps:** Tap **Play Store** to browse and download apps.
- **Use a headset:** To use a headset, you'll need one with a USB-C connector. If using a 3.5mm headset, you'll need an adapter to connect a 3.5mm connector to USB-C.
- **Connect with 5G:** 5G service plan and 5G network coverage required; available only in select areas; device not compatible with all 5G networks. Contact your service provider for details.
- **Google Assistant:** This feature may not be available in all languages.
- **IFETEL ID:** For the IFETEL Homologation Certificate number, visit: [www.motorola.com/mx/IFET](http://www.motorola.com/mx/IFET).

**Legal information.** This guide provides important legal, safety, and regulatory information that you should read before using your product. For the complete legal information, from the home screen swipe up and tap **Settings** > **Q**, then type **Legal information**, or visit [www.motorola.com/device-legal](http://www.motorola.com/device-legal).

**Water repellent.** Your phone is not waterproof. For more about your phone's water-repellent design and care, swipe up and tap **Settings** > **Help**.

**Battery safety.** To prevent possible burning and injury, the battery in your phone should only be removed by a Motorola-approved service center or similar skilled personnel.

If your phone becomes unresponsive, press and hold the Power button until the screen goes dark and your phone restarts. Charge your phone using a compatible Motorola charger (may be sold separately). Use of other chargers is not recommended. Don't charge your phone in temperatures below -20°C (-4°F) or above 45°C (113°F). Chargers that do not comply with applicable national standards may be unsafe, with risk of death or injury, and may cause slow charging, product damage, or reduced device performance. To view applicable standards and to learn more, see the "Legal information" section of this guide, or visit [www.motorola.com/device-legal](http://www.motorola.com/device-legal).

**Warning about high volume usage.** To prevent possible hearing damage, do not listen at high volume levels for long periods. When your headset volume reaches the high volume threshold, a warning shows. Tap **OK** to dismiss it, or wait one to five seconds, then press the Volume Up button to dismiss the alert and enable the volume to continue to be adjusted.

**Disposal & recycling.** For help recycling products and packaging responsibly, visit [www.motorola.com/recycling](http://www.motorola.com/recycling).

**Extreme heat or cold.** Don't use your phone in temperatures below -20°C (-4°F) or above 45°C (113°F). Don't store/transport your phone in temperatures below -20°C (-4°F) or above 60°C (140°F).

**Legal disclaimers.** Features, services and applications are network dependent and may not be available in all areas; additional terms/charges may apply. Product specifications and other information contained in this guide are believed to be accurate at the time of printing. Motorola reserves the right to correct or change any information without notice.

**Arbitration.** Your purchase is governed by a binding arbitration clause. For more information and how to opt-out, see the legal guide that came with your phone.

**SAR information (on e-label).** To view specific absorption rate (SAR) values for this phone, from the home screen swipe up and tap **Settings** > **Q**, then type **Regulatory labels**, from your phone's dialpad, type **\*#07#**, or visit [www.motorola.com/sar](http://www.motorola.com/sar).
