Re: Application for Cellular/PCS Transceiver Certification
(Class II Permissive Change)

Application:

Motorola, Inc., Personal Communications Sector, 600 N. U.S. Highway 45, Libertyville, Illinois 60048-1286 herein submits items for Class II Permissive Change Certification of Cellular Transceiver, FCC ID: IHDT56EX1.

Description of Change:

This phone is updated with PCB changes to accommodate:

- additional SRAM memory,
- an audio chip,
- a different battery charger IC.

In addition, the housing style is slightly altered and the display is changed from monochrome to color.

The following body-worn accessory is also now available:

Leather Case Model EL33301 with either Wishbone Belt Clip Model SYN8631A, or Universal Belt clip Model SYN8763A

A new SAR report (exhibit 11) and new internal photos (exhibit 9) are submitted to report these changes. No EMC degradation is reported.

Contact Information:

Please contact me by telephone at (847) 523-6167, or by e-mail (A.Bachler@motorola.com), if there are questions or additional information needed concerning this filing.
