Put in the cards & power on

Depending on the model, your phone might support using two SIM cards.

Caution: Make sure you use the correct size SIM card and don't cut the SIM card.

Note: Note: You phone support charging cables up to 45W (sold separately). For more, see "Battery safety" in this guide.

Press and hold the Power button, then follow the prompts to get started.

* MicroSD card is optional, sold separately.

Help & more

Get answers, updates, and info:

- **Help is here:** From the home screen, swipe up and tap **Settings > Help** to learn how to use your phone and get support.
- **Get more:** Get software, user guides, and more at www.motorola.com/mymotoone.
- **Get apps:** Tap **Play Store** to browse and download apps.
- **Legal information:** This guide provides important legal, safety, and regulatory information that you should read before using your product. For the complete legal information, from the home screen swipe up and tap **Settings > About phone > Legal information**, or visit www.motorola.com/device-legal.

Battery safety. To prevent possible burning and injury, the battery in your phone should only be removed by a Motorola-approved service center or similar skilled personnel.

For the fastest charging experience, charge your phone using a 45W AC charger with 5A C2C cable that complies with PD 3.0PPS.

If your phone becomes unresponsive, press and hold the Power button until the screen goes dark and your phone restarts. Charge your phone using a compatible Motorola charger. Don't charge your phone in temperatures below 0°C (32°F) or above 45°C (113°F). For more, swipe up from the home screen and tap **Settings > About phone > Legal information**, or visit www.motorola.com/device-legal.

Warning about high volume usage. To prevent possible hearing damage, do not listen at high volume levels for long periods.

Disposal & recycling. Please recycle products and packaging responsibly. To find out more, go to: www.motorola.com/recycling.

Legal disclaimers. Features, services and applications are network dependent and may not be available in all areas; additional terms/charges may apply. Features, functionality, and other product specifications, as well as the information contained in this guide, are based upon the latest available information and believed to be accurate at the time of printing. Motorola reserves the right to correct or change any information without notice.

Arbitration. Your purchase is governed by a binding arbitration clause. For more information and how to opt-out, see the legal guide that came with your phone.

Specific Absorption Rate (ICNIRP). YOUR PHONE MEETS INTERNATIONAL GUIDELINES FOR EXPOSURE TO RADIO WAVES. The highest SAR values under the ICNIRP guidelines for your phone model are listed below:

Head SAR	X.xx W/kg
Body-worn SAR	X.xx W/kg
