NFC Touchpoint

Note: Make sure your screen protector is compatible with the fingerprint sensor. Scan the code to see a list of recommended screen protectors.

## Put in the cards & power on

Nano SIM

1 With the phone facing down, insert the SIM tool into the tray hole to pop out the tray.

Make sure you use the correct size SIM card and don't cut the SIM card.

SIM

2 Insert the SIM card with the gold contacts up, then gently push the tray into the slot.

Add a microSD card for additional storage*.

3 Press and hold the Power button, then follow the prompts to get started.

*microSD card is optional, sold separately.

Help & more

Get answers, updates, and info:

- **Help is here:** From the home screen, swipe up and tap **Settings** > **Help** to learn how to use your phone and get support.
- **Get more:** Get software, user guides, and more at www.motorola.com/mymotoedge.
- **Get apps:** Tap **Play Store** to browse and download apps.
- **Legal information:** This guide provides important legal, safety, and regulatory information that you should read before using your product. For the complete legal information, from the home screen swipe up and tap **Settings** > **About phone** > **Legal information**, or visit www.motorola.com/device-legal.

Water repellent. Your phone is not waterproof. For more about your phone's water-repellent design and care, swipe up from the home screen and tap **Settings** > **About phone** > **Legal information**.

Battery safety. To prevent possible burning and injury, the battery in your phone should only be removed by a Motorola-approved service center or similar skilled personnel.

If your phone becomes unresponsive, press and hold the Power button until the screen goes dark and your phone restarts. Charge your phone using a compatible Motorola charger. Use of other chargers is not recommended. Don't charge your phone in temperatures below 0°C (32°F) or above 45°C (113°F). For more, swipe up from the home screen and tap **Settings** > **About phone** > **Legal information**, or visit www.motorola.com/device-legal.

Warning about high volume usage. To prevent possible hearing damage, do not listen at high volume levels for long periods.

Disposal & recycling. Please recycle products and packaging responsibly. To find out more, go to www.motorola.com/recycling.

Class 1 Laser. This phone contains a Class 1 laser focusing system, which is safe under reasonably foreseeable conditions of use in accordance with international standards. Do not attempt to modify or disassemble.

Legal disclaimers. Features, services and applications are network dependent and may not be available in all areas; additional terms/charges may apply. Features, functionality, and other product specifications, as well as the information contained in this guide, are based upon the latest available information and believed to be accurate at the time of printing. Motorola reserves the right to correct or change any information without notice.

Arbitration. Your purchase is governed by a binding arbitration clause. For more information and how to opt-out, see the legal guide that came with your phone.

To view the SAR values for your phone, visit https://motorola.com/sar.

SAR

This product meets the applicable national or international RF exposure guidance (SAR guideline) when used normally against your head or, when worn or carried, at a distance of 5 mm from the body. The SAR guideline includes a considerable safety margin designed to assure the safety of all persons, regardless of age and health.

To view additional SAR information on your phone, swipe up from the home screen and tap **Settings** > **About phone** > **Legal information** > **RF information**. To view the information on the web, visit www.motorola.com/rfhealth.

motocare protection

Protect your phone with MotoCare Protection.

Visit **motorola.com/protectmydevice** for more information. (U.S. only, except P.R.)
