Mr. Fujimoto:

In order for processing of this permissive change application (FCC ID: IKQIPTRNSX) to continue, the following issue(s) will have to be addressed:

- 1) According to the general report summary, radiated emissions test procedures, and transducer tables of the test report, the frequency range investigated did not include frequencies above 1 GHz, as should be the case for this device.
- 2) Please indicate compliance with the voltage variation requirements of section 15.31 (e).
- 3) The block diagram submitted is not sufficient, per section 2.1033(b)(5). Please submit an updated diagram.

The item(s) indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Please upload responses and/or exhibits to the electronic filing website. Your correspondence number is IKQIPTRNSX-1.
