Dear Robert,

Psion Enterprise Computing Limited are applying on behalf of Psion Incorporated (Grantee code ILP) for the certification of radio module, Psion part no. A2832-1014-01.

Psion Enterprise Computing and Psion Inc are both Psion Group companies.

This letter authorizes TRL EMC to act as agents on behalf of Psion Enterprise Computing Ltd. and id Systems Ltd, for the submission of the module part number A2832-1014-01, FCC ID: ILPWARFIDHF to the FCC, for Radio Approval.

id Systems Ltd own copyright for the design of the A2802-1014-01 and manufacture this module for Psion Enterprise Computing Ltd to integrate it within their FCC approved Workabout hand-held terminal.

Yours sincerely

Signed on behalf of Psion Enterprise Computing Ltd.
