TECHNISONIC UHF HI RF MODULE

Photo # 1
FCC ID: IMA-P2087A

A Motorola RAZR V3 flip phone is shown lying flat on a white surface. The phone is silver with a black back cover. The back cover is removed, revealing the internal battery compartment. The battery is a large, rectangular, silver-colored unit. On the back of the battery, there is a Motorola logo and the text "FLASHport" and "Mfg. Code: 100010000007". Below this, there is a barcode and the text "S/N: A58A10834", "Model: RAZR V3", "Canada: 100010000007", and "Mfg. by Motorola". The phone is oriented vertically, with the top of the phone at the top of the image.
