**Warranty Return Policy**

If you have a problem with your Symphony product, please call Symphony Technical Support at (408) 731-2780. Symphony Technical Support will assist with resolving any technical difficulties you may have with your Symphony product. If a Symphony technical representative determines that a product is defective and the product is still in warranty, you will be assigned a Return Material Authorization (RMA) number to authorize its return for repair or replacement. Dated proof of purchase may be required. Package the product appropriately for safe shipment, mark the RMA number on the outside of the package, and ship the package at your expense.
