Subject: Application for Certification of the Class B Peripheral for Proxim inc.  
**FCC ID: IMK-ILCISA**  
**731 Confirmation Number: 91172**

To Whom It May Concern,

This Form 731 is being filed in conjunction with an application to certify an intentional radiator that is also a Class B peripheral. All the exhibits for this application were filed previously under the following 731 confirmation number: **EA89885**

If there are any questions or problems please don't hesitate to contact me at the number listed above, or by email, [chris@eclabs.com](mailto:chris@eclabs.com).

Sincerely,

Chris Byleckie  
Technical Director
