RE: IMKAP2-1020

Dear Sir:

The following application is submitted by LXE, Inc with permission from Proxim Inc. for evaluation as a Class 2 permissive change under Part 15.247 of the rules. The unit was tested at LXE, Inc. located at 125 Technology Parkway, Norcross, GA 30092, and was found to be in compliance with the rules.

Sincerely,

R. Sam Wismer
RF Approvals Engineer
LXE, Inc.
