Attaching a Dell™ Mini PCI Card Regulatory Label

NOTICE: Affixing the provided label is a regulatory requirement. Failure to do so may void the user's authority to operate the subject equipment.

This document tells you how to attach the enclosed Mini Peripheral Component Interconnect (PCI) card regulatory label onto your computer. Do this after you follow the instructions in "Installing a Mini PCI Card Assembly," which is also enclosed.

1. Close the display and turn the computer upside down on a flat, clean work surface.
2. Remove the adhesive cover from the back of the regulatory label.
3. Depending on your computer, press the regulatory label onto your computer in the location shown in "Placement of the Mini PCI Card Regulatory Label."

NOTE: South African residents must also attach the SATRA sticker on top of the Mini PCI card regulatory label, as shown in "Placement of the Mini PCI Modem Regulatory Label."

NOTE: Malaysian residents must also attach the SIRIM sticker on top of the Mini PCI card regulatory label, as shown in "Placement of the Mini PCI Modem Regulatory Label."
