Attention: Certification Reviewer

Reference: Class 2 Permissive Change

Applicant: Hunter Fan Company
Equipment: Remote Control
Models: 85094
FCCID: IN2TX27

Dear Sir/madam:

Please find attached an application for Class 2 Permissive Change. This change is needed to revise the marketing information on the Grant to satisfy vendor requirements. There are no changes whatsoever to the product. It is electrically identical to the original application. It has identical radio frequency and RF output power, identical radio frequency circuitry, identical functional capabilities, and identical test data.

Should you have any question, please feel free to contact the undersigned.

Sincerely,

Troy Ihle
Project Engineer
